

ACTIVITIES

The Association meets bi-monthly, from February. Activities may include illustrated talks, traditional dinners, a day-time reunion or excursion, and a Cornish carol celebration.

Kernewek Lowender (the Cornish Festival) is an important aspect of Cornish life in South Australia and the Cornish Association of S.A. is involved and actively supports the Festival. The Association runs our award-winning Biennial Cornish History Seminar, and a pasty tea & musical evening, in conjunction with the Lowender.

The Association's library is continually being added to and most titles are available for loan. The library is open during each meeting in the Unley Community Centre.

A newsletter is published quarterly and contains not only Association news, but news from other Cornish Associations throughout the world and items of interest from Cornwall itself.

The Cornish Association is affiliated with:

- The Joint Commonwealth Societies Council in South Australia
- The London Cornish Association

It also has close associations with the Bards of the Cornish Gorsedd (Gorsedh Kernow) in Australia.
